### Sizes

Age: 3-10

Capacity: 7 Children

By adding freestanding activities you increase the children capacity in the room.

The playful colors invite children to play.

Space illustrations - Support dramatic play, stimulating language development

caregivers and adults can interact with the children through the transparent design, providing an extra sense of security.

Sliding develops spatial awareness and sense of balance. Furthermore, the core muscles are trained when sitting upright going down.

Manipulative panels help encourage cognitive development.
